## WELCOMING THE NEW NEIGHBOR

A couple years ago, my neighbors placed their house on the market but because of the bad economy it did not sell and ultimately they went into foreclosure. A professional Asian couple bought it several months ago and I still have not gone over to introduce myself, but I thought today might be a good time. The husband always seemed to be busy and not around. His wife, Lillie, seemed friendly and usually in her smiling mood as she worked around the front yard. About a week ago I saw her outside and went over to introduce myself. She greeted me warmly and told me her name. I told her mine was Andre. She asked if that was like the famous tennis player and I said it was.

She was very cute and even though she didn't have a model figure, she was voluptuous with a slightly large top and an nicely shaped bottom. I'll say right up front that I had wicked

ideas of bedding her if I got the chance to. She loved to act innocent but I knew that she was a real hottie deep inside. I started to make plans and opportunity to get near to her as often as possible without being too obvious.

My first opportunity came when their moving truck arrived. The movers left lots of boxes just outside her front door, I took the opportunity to help her out in order to gain some credibility. She welcomed my help to carry those boxes into the house because her husband was away on business and they weren't expecting the movers until then weekend.

Yes, I was planning to tempt her whenever I could. I kept myself busy moving boxes. She was casual in her shorts and t-shirt. I just could not hide my arousing bulge when I happened to walk into one of the rooms and saw her bent over, unpacking something. Her shorts had ridden up, exposing almost half of the bottom of her ass cheeks! I could not help myself so I pretended to put the box I was carrying down on the floor slowly as if it was so heavy. Well, of course I did it just behind her to get a clear view of her luscious ass.

As she worked unloading the contents of the box, she did not seem to be aware of what she was showing – or could it be that she was teasing me, too? I just took my time and let my eyes lust after her ass. How I wished I could just pull those

shorts down and stuff my cock into that ass! What if she turned around and gave me a hard slap? After a short while, she stood up and walked over to the box I had just set down. As she sat down next to it, I made no attempt to hide my bulge. I decided to show her to hint that her ass had made me so aroused! While she was sitting on the floor unpacking, I intentionally stood up and took some stuff out from the top of the big box. In that position my bulge would be directly at eye level in front of her face.

I did not look at her directly to be too obvious but I did see from the side glance of my eyes that she did look at my it. Not just once but several times. At the moments when I knew she was looking at it, I made my bulge push outwards several times with small hip movements while I helped her unpack the box. She did not say a word – nor did she object. It almost seemed as if but she seemed to be enjoying it so I knew I might have some sort of a chance. At the same time, I managed to look down at her cleavage occasionally and had no problem peeping in as she was wearing an oversized t-shirt. I She was actually wearing a push-up bra, which made her cleavage looked even deeper – and both her nipples seemed erect, too. I was thinking fast as to how to make the next move.

As she was folding her clothing, I pulled out a bag full of her intimate garments. I pulled out a pair of sheer panties and put them in front of my face. She saw me and was clearly embarrassed and so to break the silence, I complimented her on her fashion choices in lingerie. We both could not help but burst into laughter and

warm every night! She looked at me and smiled embarrassingly. Well, talk is cheap. I upped the stakes by adding more flattery which most women love to hear like ‘You are such a sexy and beautiful lady and I’m sure many guys would love to be with you.’

Apparently feeling a bit more comfortable with me, she started to take out her sexy lingerie as if she wanted to show it off to me. She was sitting on the floor with her legs crossed as it was more comfortable for her but also good for me as I could see part of her panties. I sat opposite her and, at times, her eyes seemed to be glancing at my obvious bulge as I did not bother to hide it. She caught me peeking at her crotch and looked down and saw herself exposing a little too much. I was encouraged when she did

thereby breaking the ice. I chipped in further by saying that her husband is a very lucky man to have her.

She told me that he was always busy and too involved with his work to notice her anymore. Some of her lingerie she hadn't even worn. I took that to be a big hint what she had just thrown out – intentional or not. It seemed to me that she was picking up the clues and decided to play the flirting game with me. I started to lay it on even thicker by telling her that if I were him, I would keep her

not make any effort to cover herself but she seemed to spread her legs slightly wider. I was thinking fast and I decided to risk it by asking, “By the way, can I just ask you for a small favor?”

“I was thinking of buying some

sexier things for my wife. You seem to have such good taste with it. What do you think she might like?"

Rummaging through her lingerie, she took out most of it and picked out one particular piece which

back part was also see through, which showed her big curvy ass barely protected by a thin floss of string panties. And at that moment when she was playing and modeling herself to me, I had already made plans in my mind that I would fuck her sooner or later. She was obviously enjoyed teasing me. Asking me if I liked it, I responded by saying "Look at my pants!" She looked at it and smiled in return and said. "I told

she told me was her favorite. She passed it to me and it was quite sexy. I told her that it may look nice holding up here, but I can't imagine what it would look like. I took another daring step forward by asking if she would try it on for me so I can see what it's like on? She thought for a moment and said she would.

She went into the bathroom to change and came out wearing that sexy lingerie. I looked at her as though I was going to devour her anytime soon! She came near to me and stand in front of me. It was a sheer pink baby doll that discreetly exposed all the intimate parts of her anatomy. The front top part where the breast were, was totally transparent in a twin circular form to enhance her boobs. The bottom front were completely see through in a triangular shape to emphasis her crotch. She was still wearing her pink g-strings panties but it was also transparent that I could see a small patch of her pubic hair. And when she turned around, the bottom

you that this lingerie will turn on any guy!" I could see that she was turned on too! Now was my chance...

"Lillie, since you made it so hard, are you gonna help me to cool it down?" I pulled her down and she lost her balance slightly and sat on my lap instead. With my one hand grabbing and groping her ass while the other hand went straight to her crotch. It was damn and wet. She did not resist either. She seemed to be waiting for something to happen. I took her hand and placed it on my bulge and made her rub it and let her feel my cock. I then quickly pulled my shorts down and proudly show my hardness to her. She held on to my pole and slowly jerked it up and down, bringing it to life! At that time, she opened her mouth, trying to say something and no words came out of it but only heard her soft moans. Guess it was time to shaft my hard cock into her hungry mouth!

Without another word, she gets on her knees and begins to suck my cock. Slowly at first and then picking up steam. My hands reach down under the lingerie and I massage her full boobs, finding the nipples with a gentle twist and pinch. A muffled moan comes out of the sides of her mouth as her mouth gets hungrier and hungrier for my cock. After several minutes, I came in her mouth and she swallowed every drop.

But alas, dear reader, I must stop here and pull her head off my cock. What if her husband comes home and walks in on us. Or to see if my wife comes over looking for me. Today, I couldn't risk losing what I worked so hard to get.

A woman with long dark hair, wearing a red lace dress and a pearl necklace, is posing on a stage. She is holding a pole with her right arm. A man in a black suit and tie is sitting on a yellow couch in the background, looking at her. The background is green with a fish tank visible.

# PussyCat

PussyCat is tired of the stereotypes. "Not all Asian women are submissive lovers!" PussyCat explains. "Some of us know what we want and how to get it!" PussyCat demonstrates on her stud-of-the-day, a college professor she just met on a dating app. She orders him to drop his pants and stick his already-hard prick between her ruby-red lips. She gobbles him down to the root while fingering her slippery labia. Go and get it, PussCat! We await your next command.

*When I'm asked why I do adult photos and videos, I tell them because I can. I just so happen to love sex. I grew up in a house where things were very conservative. It took a few times but I got comfortable with having sex in front of the camera. All the guys early on in my career were very patient and nice, so it was easy to relax and fuck them. Now, I can do two at a time and enjoy it – a lot!*

# under the cherry blossoms

*First thing this morning was that it was pouring rain. Fortunately, it had cleared up by ten and brilliant sunshine had taken over. A half hour later as I was leaving the house, most of it had dried off. I was so excited to head into D.C. to see the annual cherry blossom show, and so I did.*

*Transfixed by their beauty, I can only admire them from afar and not touch. Nature must know that their perfume is intoxicating and stirs men's loins like no other.*

I get there about noon and the crowds already congregating. This is my fourth year and they are just spectacular this year. Pink blooms, white blooms, as far as the eye can see. I start to photograph them with my phone's camera as almost everyone there is doing. How can you not? It's spectacular. The blossoms are so delicate and lightly perfume the air. I walk around the Tidal Basin area for a while, trying to frame the different buildings and monuments, but I think my best shots are just of the trees themselves.

After an hour or so, I see my phone's memory is filling up. I sit on a low brick wall and start to edit through them so I can take some more. I finish and stand to continue my walk when a pretty Asian woman says that she saw me going through my photos on the phone; was I trashing them. I nodded 'hello' and said I was. She then asked how did I do it?, Could I show her because she thought her phone was full too.

Fortunately for me, it was the same model of phone and we sat on the wall. She handed me her phone already showing the photos folder. I did a few swipes to see how many photos there were. Then I asked her to [pick a couple that she did

not want and I'd show her how to get rid of them. She enlarged one, changed her mind, and then selected another. I asked is she sure because you cannot get it back. She said fine and I showed her how to delete it. Earlier I noticed that there weren't that many cherry blossom photos on her phone. Seems most of the memory was taken up by her other photos, and I mentioned that to her. She looked a little perplexed and swiped back through only to realize that indeed there were a ton of them. She started to go through them and trash ones she didn't want to keep. Suddenly a couple selfies popped up with her topless. She pulls the phone from my sight with a nervous little giggle.

I smiled back at her and said that was nothing to be embarrassed about, we all do it at one point of another. She thanked me for helping her and got up and walked away. I too got up and continued with my promenade along the basin taking pictures and bystepping the crowds. A short hour later I saw her again sitting on the steps of the Jefferson Memorial fussing with her phone again. I walked up to her and said hello and could I help her delete some more photos. She looked up at me and smiled. To my surprise, she said "Sure." I sat next to her and introduced myself. She said her name was Haru, which she said means Spring. She explained that's why she's here, to take in the best signs of spring.

This time I talked her through it rather than delete them myself. After we finished, we sat there and talked for a good hour and she was fascinating. We decided to get a bite of lunch since it was after 2pm. We walked over to my car and drove to a nice spot I knew of near Georgetown. A coupe hours there and we had become good talking buddies. She had a couple glasses of wine; me – just a beer. There were a couple times I thought she flirted with me, but wasn't quite sure how to read her. When we finished I offered her a ride home, but, to my surprise, she asked if she could come to my place. I thought about it for a moment and said I had some things to do until about seven, but would be glad to pick her up and come back to my place for some drinks. She agreed and I drove her home.

What I had to do was clean up my apartment. No woman wants to see a single man's mess. So I finished cleaning, showering and I called her just before seven as I was about to leave to pick her up

just to be sure she still wanted to visit. She said she wasn't sure now, but it would be okay if I visited her at her place. I said okay and drove over. She lived in a house with three other ladies, all Asian. They All grad students at the American University. She introduced me to two of them, the third was out that night. Haru told me she was more comfortable there with visitors. I told her I understood. We went up to her room where she had a small bottle of warm saki and a couple glasses already prepared. We spoke for hours when the saki began setting in and then there was a lot of laughing going on.

Right at midnight Haru suddenly stood up and stepped behind her shoji screen and came out in a short kimono that barely covered her butt. She wasn't wearing panties. She came over to me and planted a huge kiss on me and reached down to grab my cock over my jeans. Then she undid my

belt and pushed my jeans to my knees as my cock was rapidly hardening. I was hot for her. I reached over and opened her robe, and grabbed her firm breasts, feeling her already erect nipples, kneading them and pinching them between my fingers. She backs off and lays back on the pillows on the bed and throws open her robe completely exposing a long, slim sensuous body. Pearly white with medium sized pert boobs perfectly proportioned.

Haru's sweet smile seemed to beckon to me, but for now, I was content to watch. My mystery goddess begins petting that luscious pussy, coaxing more and more juices from it as the lips begin to part and her pink little clit begins to poke its sensitive head from underneath it's hood. I see the delight and arousal in her beautiful eyes as a soft little

moan escapes her lips. She closes her eyes for a moment as the tip of her finger presses close to flowering opening of her. As the very tip of it slides ever so slowly in, she opens her eyes, piercing me with a look of lust as it slides deeper and deeper. Then, still fixing me with that look, she slides it out, dripping with the sweet nectar of woman and slowly brings the tip to her mouth. Smiling, she tastes it, delight in her eye.

Standing up she slowly turns to face me, and I can finally see the full beauty of those breasts. She cups them in her hands, pinching the nipples so softly and grins as they begin to harden in her fingers. Giving them one final twist, she beckons me closer and of course I oblige, slowly walking towards her, the sweet perfume of her growing stronger as I

neared. When I come as closer, she reaches out to me and slowly caresses my erection. When I reach out to her, she moves back and playfully slaps my hand away. Her eyes communicate to me only to watch for now... with one last caress at my raging hardness she sits back making herself comfortable.

With one leg propped up on the bed, I can see the full beauty of her. This beautiful woman begins to stroke her little clit ever so softly, urging it out if its hiding place. Her pussy lips part and I can see the wetness forming on them. Taking her other hand and all the while transfixing me with those eyes, she slides her other finger deep into her pussy as I watch her bringing herself to a sweet and gentle orgasm, her delicate fingers sliding in and out, the other softly caressing her now swollen clit. Her moans become louder and more desperate as the orgasm approaches, her breasts quivering as she shivers from the pleasure of her own hands. Her

lips part and her eyes close and she throws back her head in delight as a quiet orgasm works its way through her delicious body.

She brings her head a little closer to me and slowly takes my cock into her mouth, all the while working her finger in that very hot little butt of hers. I can feel her hot breath on me and I almost stumble as those hot lips envelope me. She traps my gaze with those liquid eyes as she works herself into another orgasm, her cries stifled by my member captured in her lips. I can barely hold back as she sucks frantically, licking and moaning as another orgasm rips through her body. As it subsides, this most erotic of beings, lets go of my cock and smiles, sighing as she slides her finger out of her rear. She smiles at me slightly again and then drops to her knees in front of me and takes me once more into her willing mouth.

My knees tremble as those wet lips, travel up and down my length in the sweetest torture. She looks up at me then gently stroking and rubbing, and she dives back down again, swallowing as much of me as she can. Her mouth opens wider and I gasp as I feel her whole mouth surround me and feel myself throbbing and straining. She comes back up with a gasp, giggling as my knees buckles a little. Over and over she does this until I can't stand any longer.

Finally, she releases me and lies back, her legs open and inviting. I grin and climb on, gently kissing her neck and breasts. She moans and presses against me and I can feel her wetness gently rubbing against me. I let my urge overwhelm me, press her down, and slowly slip inside her. She gasps as my cock fills her suddenly and completely and she grinds her hips against me seeking to fill herself up more. I back all the way out until I hear her soft moan of dismay as just the tip remains and suddenly thrust deep inside. Her yelps and smiles in delight as my hips press tight with hers. She grabs my butt and begins to thrust back and for a moment with are both lost in each other's rhythms and lust.

I pull out and she holds my cock over her belly as my juices spurt out all the way up to her chin. After a minute, she gets up and goes off to the bathroom to wipe up. She returns with a warm washcloth and holds it against my semi-erectness and rubs me clean. I thank her twice again in the morning.

# Jade Sin

*Jade is looking for something to do this fine afternoon. She finds a couple of the neighborhood guys hanging out trying to fix some equipment. This time it's all about her. Looking red hot in her yellow summer clothes, she drops for our pleasures. Today, there's a plethora of positions, fucking and sucking. She gets unloaded on by both guys and she proceeds to eat it all up. It was great having her take a break and enjoy her day.*

Charmane  
Star

Charmane's a true beauty. Warm, reserved, passionate and willing. Her start in the adult business was fortunate for all of us. Her movies vibrate with energy and a wanton pleasure we should all be so fortunate to experience. But no, she is a goddess that only few have tasted, yet she is always there for all of us to experience.
